Students Raise Money for UNICEF

Kailua-Kona, Hawaii; November 6, 2007

Hualalai Academy students raised over \$1,000 for the United Nations Children's Fund (UNICEF). The Academy's middle school student council initiated the drive after they learned how much they could help kids in need. The Trick or Treat for UNICEF campaign began in 1950 and has raised more than \$136 million specifically to help children get the simple basics to survive including food, water, medicine, education, and shelter. The money raised by Academy students will be matched dollar for dollar by the George Harrison Foundation.
