

## Science Fair Participants and State Science Fair Participant

Seven Hualalai Academy Middle and Upper Students participated in the **District Science Fair** in February. They were: **Laura Andersen (10), Ariana Datta (6), Saffron Datta (6), Keli Jackson (7), Anna Thomas (7), Russell Laros (7), and Breanna Bellatti (7).**

**Anna Thomas** was selected to attend the **State Science Fair in Honolulu** in April for her project, "**Carbon Dioxide's Effect on Plants.**" We are very proud to have Anna represent us at the State Fair! This is a tremendous honor for her and for our school!
