

# Hualalai Academy students light up lantern parade

Hualalai Academy students, far left, brought a wave of energy and fun to the annual Kona Coffee International Lantern Parade. The children all had beaming faces, glowing lanterns and Hualalai T-shirts as they paraded down Alii Drive, handing out candy and smiles. Madi and Hanna, left, show off their lanterns during the parade. "It was so much fun being in the parade. I really loved the candy and the lanterns were so pretty," said third-grader Sandy Cupp.
