### **Hualalai students place in video contest**

Hualalai Academy middle school students of Scott Sveiven have been selected as finalists out of 565 entries for the sixth annual Olelo Community Television Youth Xchange Competition on Oahu. Students Billy Baker, Tomas Pruitt and Hiro Ueno submitted their video, "The Do It Right Club," in the short category. They will be honored with other Hawaii Island students at an awards ceremony May 8 at the Ihilani Resort and Spa on Oahu.

Sveiven has been teaching the middle school video production class for five years at Hualalai Academy.
