

## Federal Junior Duck Stamp Design Winners

Mr. Sabo, our third grade teacher, has his class enter the Federal Junior Duck Stamp Design Contest every year. This year he received copies of the Hawai'i Federal Junior Duck Stamp Calendar for 2009. It features Janelle Laros's artwork, from last year, for the month of May; Dasha Eremina's artwork for the month of November; and Chris Cook's artwork for the month of August. Every year his students have won various honors, but this is the first time his students were highlighted in the calendar.
